
Fillable PDF versions of the Suicide Status Form and CAMS Therapeutic Worksheet Available

CAMS-care is very excited to have teamed up with Guilford Press, the publisher of *Managing Suicidal Risk, Second Edition: A Collaborative Approach* by Dr. David Jobes, to offer access to fillable PDF versions of the **Suicide Status Form** and **CAMS Therapeutic Worksheet**.

If you are interested in using fillable PDF's of the forms, an extension of the [duplication license](#) with Guilford is available on the CAMS-care website. Sign into your CAMS account and go to the My Courses & Certificates page. The agreement is under the heading Course Material.

You will also find resources on our website with best practices for using the CAMS Framework and the Suicide Status Form when using [Telehealth](#).

Please contact support@cams-care.com with any questions.

Thank you for using evidence based suicide focused treatment,

The CAMS-care Team
