A person wearing a red life vest and dark shorts is captured mid-air, jumping from the back of a white inflatable boat into a large body of water. The person's arms are raised in a 'V' shape. In the background, two other people are swimming in the water. The sky is bright with scattered clouds, and a forested shoreline is visible in the distance. The text 'THANK YOU!' is overlaid in large, bold, orange letters across the center of the image.

THANK YOU!
